Coping with Change

Our Chapter is nearing the end of another year and we will soon be celebrating together at our Holiday Reception. As always, this will be an opportunity to say thanks to our supporters and recognize chapter members for their service. Before we close out the year's business, George Anderson wanted to share with you his observations about how we seem to be changing as an organization.

Donate to INCOSE Foundation

The INCOSE Foundation Chesapeake Chapter Fund is used to award annual scholarships to Systems Engineering students at all levels of study. We are grateful to you not only for your contributions but for the commitment of your time to advancing Systems Engineering. **Please consider donating to this worthy cause.**

Did you miss these events?

Dr. MacCarthy, the Director of the University of Maryland's Systems Engineering Education Program, examined the state of graduate systems engineering education in the U.S. through a discussion of some of the major considerations associated with the development and maintenance of graduate systems engineering programs.
